## CAVAN BURREN PARK

A surprising, inspiring prehistoric landscape  
Blacklion, Co. Cavan.

### CAVAN BURREN PARK

Cavan Burren Park is a unique landscape of geological and archaeological features in an open natural setting. Whether it's Cavan Burren's wide open landscapes, fascinating visitor centre, the perfectly preserved glacial erratics, spectacular megaliths, bog-bridge walking trails, limestone pavement or encyclopaedic local guides, a visit to Cavan Burren Park is an opportunity to experience a vast yet accessible world of natural and manmade history.

You don't just visit Cavan Burren Park, you become part of it.

### AN EXTRAORDINARY JOURNEY

When you walk around Cavan Burren Park, all of your senses are fully engaged whether you gaze from a limestone plateau, tune into a sonic bird chorus, tap your finger in prehistoric rock art or simply just savour the freshest air in the world! Except for your breathing or the sound of your voice and the odd cuckoo, you will find yourself surrounded by a landscape of relict, fort, bog, gryke, stone, clint, wedge, kiln, an infinitely magical place.
